THE *years* ENJOYED HERE

As freshmen we were initiated into high school and the beginning of new experiences. Everything about us was interesting—different activities, new teachers, more friends; there was a lot to anticipate.

As sophomores we showed indications of growing up. It was fun. We worked harder that year, too, because we were conscious of the variations that were becoming evident in our lives.

As juniors we had much on our minds. Athletics, dates, studies—they were all important. Being a junior was being grown up! We had many expectancies for the school year to come. With these in mind, we worked and waited.

As seniors we have been grateful for the big and little things which have meant so much in preparing us for our responsibility as adults. Now we appreciate the four years which have held for us our learning, winning and losing, our thrills, disappointments and honors. Now we confidently accept the challenge to carry on—each of us—as an admirable and wholly ideal American citizen.

AT A FACULTY MEETING—each teacher takes part in the discussion of matters pertaining to the students or the school as a whole.

We Make The School

It takes both an administration and a faculty as well as a student body to make up an educational institution. When these components of such an institution work together in the fulfillment of a better-rounded school life, the result is something to be proud of, to preserve and use as a foundation all through life. As students, teachers and advisors of Lexington High school, we'll always hold these aims and make for a school in which we exercise the right to educate and be educated only as Americans do.

IN THE LIBRARY—students have the opportunity to do their studying, use reference material, and enjoy the wide selection of books and magazines for pleasure reading.

The Right Men In The Right Places

The superior standards of Lexington High School do not exclude the administration and faculty which rank high in this state.

The Board of Education consists of six members—citizens of the finest type. The board over-see's the management of our school and acts as a median between the city and the school's personnel.

Our faculty is of the very best. Each instructor has spent tedious hours guiding and teaching students to do well. We are proud of our teachers. They are a part of the tradition of our school, inspired so, by the Minuteman.

THE BOARD OF EDUCATION—handles a financial problem at one of their meetings. Harold O. Barrett, Mrs. John Roberts, Clyde H. Taylor, Lloyd Kain, James C. Adams, Wm. A. Stewart, Jr., and Glenn E. Miller, school superintendent.

Rah Lexington!

Participation in physical development in football, basketball and track is given much emphasis in LHS. Sport enthusiasts of our school and locality developed an excellent following for our teams throughout the year. Our coaches are well-trained, our boys are fine sportsmen, and our athletic interest is high. These, and other factors have developed for Lexington the reputation of good winners and good losers — the qualities we aim for as Minutemen.

**HONORARY FOOTBALL CAPTAIN

Fifty - fifty

Bill McCowin coached the 1945 Minuteman football squad which had a rather successful and exciting season. The team tallied 5 wins and 5 losses. Lexington had victories over Cambridge, Cozad, Curtis, Phillipsburg, and Ord. We took defeats from McCook, North Platte, Kearney, Holdrege, and Gothenburg.

The Minuteman's conception of football this year was not to win every game, but rather to go out there, do their best, and put up a real fight. The rougher the game the harder they fought. Their aim was fine sportsmanship—win, lose, or draw.

Seconds Hold Opponents Scoreless

Lexington High School boasted this year one of the finest reserve teams in many years. This group of boys completed six games, winning all and holding their opponents scoreless in every fray.

Coach Melvin Tack spent much time and showed worthwhile effort to develop well trained players who, in another year, will be the boys on the varsity team we shall boast as the Lexington Fighting Minutemen.

Class B Runners Up Again

Lexington High School, undefeated in its regular basketball playing season, did not meet its downfall until the finals at Lincoln with Holy Name; thus, the playing season was an excellent one, and a real experience to be valued not only by the team and coaches, but by the school and city as well. Five trophies were awarded to the Minutemen for the Southwest Nebraska Conference, District

Class B Tournament, Dawson County Tournament, Central Nebraska Conference, and the State Class B Runners Up. The letter "L" was awarded to ten boys and the two student managers. A record to be proud of, a team and coach to be proud of, is Lexington's bonus for backing up the Minutemen who have made for our school a reputation worth working for.

Eleven Basketball Hopefuls

The saying that a good varsity team must be backed by a top-line reserve team, surely held true in LHS this past basketball season.

Coached by John Cox, the reserve basketball team played 13 games this year. Their only defeat was a closely contested game which they dropped to a fine McCook reserve group.

One of the outstanding factors of this years reserve material is that all most all of the boys are underclassmen. This advantage will have a great deal of influence upon the run of the team next year.

The junior high boys at their first crack at basketball had a schedule of ten games arranged by their coach, Norris Holen. This group makes up the material for the reserve and varsity teams in the next few years; consequently, their practice and actual experience means much in keeping Lexington's fine reputation for basketball champions.

Dirt Sifters

One hundred and four classmen turned out for junior and senior high school track this year. The scheduling of nine track meets gave Lexington one of the best schedules in many years. With the aid of ten returning lettermen, the Minutemen squad headed straight for a successful season. Bill McCowin and John Cox coached the senior high school team. Norris Holen coached one of the most active and promising junior high teams we have had.

Exclusive Honor Men

The significant L Club is one of the several student clubs in LHS. Each boy who earns a letter L in athletics is automatically made a club member. The organization has no planned activities; it is really just the honor and recognition given to Lexington's deserving lettermen. At the head of the group of boys are Coach Bill McCowin and Coach John Cox.

EVERYBODY READY LET'S GO GANG GO!

Cheerleaders are Lou Casey, Jim Anderson, Martha Dicus, and Ed Cook. To these four goes the appreciation of the teams, coaches and student group for the presentation of skits, pep talks, and rallies—for backing up the fans who backed up the Minutemen of Lexington High.

High Voltage Sideline

Fifteen students of each high school class were voted in as members of our pep club. This organization is intended each year for stimulating interest in athletics in our school. The club did a great deal to help develop a following for our teams. Sponsors of the group were Margaret McCown and Lillian Hanson.

The Elite

We of the graduating class of 1946 leave Lexington High School with our hopes of the future set at the very highest standards. What we have gained in our four high school years cannot be summed up at the present. Only, will it be reflected in the success we make of ourselves; and only, will it brighten or dullen the aspects of our lives; "for we are a part of all that we have met."

Orange and Black

Every student in LHS is given opportunities to be a part of the social life based on education and recreation. Here, we have the privilege to participate in athletics; join clubs of different types; partake in student government. To keep this phase of school life successful, it is necessary that our interest in activities be high—for school is what we make it.

Hi - Y Club

Attempts this year to reorganize the Hi-Y club resulted in a few changes, much to the benefit of the club. The old members vote upon each boy who wishes to join and determine him as qualifying to belong. This is the way by which members are chosen. The qualities necessary must be those which are a part of the real student, sportsman, and Christian.

 Vice President Bill Smith

Dutiful in Domestics

Throughout the year, the girls of the home-ec club have had valuable experiences in entertaining in various ways. In this manner they not only gained relaxation and entertainment, but also learned to be gracious and tactful hostesses. Clara Geiger sponsored the club which enjoyed get-togethers for initiation night, Hallowe'en, Christmas, Valentines Day and their spring picnic. One particular highlight of their activities was their trip to the North Platte Canteen.

Girls That Do Things

The Hi Jinx club, which is under the auspices of Lorene Kienker, the officers, and a cabinet, is an active club in LHS which encourages the girls to participate in school activities. The club has sponsored the Girl's Basketball Exhibition games and tournament, and has served refreshments at school dances. This year, as in the past, the club's list of activities was topped by an evening of Christmas caroling, and the traditional Heart Sister Week in February.

Modern Agriculturists

Keeping in step with the most modern methods of farming and farm management is the plan and purpose of the club organized by the Future Farmers of America, a national organization of agriculture students. William Lutes supervises this active group of boys which claims a membership of forty seven.

Once each month, the club holds a meeting to which a speaker, prominent in agriculture, is invited to convey new ideas and developments in farming.

This past year, the club has been benefitted by responding to such events as a judging day at Holdrege, a two-day trip to Lincoln, Rural Youth Day for eighth grade students, a prairie dog campaign, and a parent and son banquet. During the football playing season, the boys sold popcorn and apples to those attending the games. By dividing the club into teams, they later incepted basketball and softball games.

President of the F. F. A. Club has been Bill Nelson; Vice President, Don Hodgson; Secretary, Robert Berke; Treasurer, Bill Rawson; Reporter, Delbert Kopf; and Watch Dog, Edwin Darby.

The local chapter of F. F. A. received the Sears Production Award for top farm production in the past school year. An outstanding member of the group, George Kanda, had the highest production in the state of Nebraska. Duane Hatfield, also very active in the organization, was the winner of the Cary Gray Scholarship awarded by the Union Pacific Railroad. Bill Nelson received the alternate to the same scholarship.

HOLD HER—says Don David to Ruth Glenn and Lloyd Ticknor as Delores Hofferber and Esther Mouzes watch Peggy Hofferber get away.

SORT OF RELAXING FOR THE NEXT SCENE—are LaVere Kring, Shirley Parker, Darlene Rowland, Norman Reynolds, Margaret McCown and Darlene Gierhan.

"Brother Goose"

The senior class play, "Brother Goose", was presented May 2. Margaret McCown was director of the play.

As the older brother in his orphaned family, Don David ranged from near pathos to rollicking humor as he portayed Jeff. As his teen-age sister and brother, Carol and Wes, Ruth Glenn and Lloyd Ticknor created much amusement. Highlights were Carol's trips to the door to meet the postman and Wes' presentation of his motorcycle. Playing opposite Wes, was the petite Eve, impersonated by Darlene Gierhan—sweet, winsome and naive. In the romantic team of Jeff and Peggy, LaVere Kring portrayed the likeable, thoughtful girl who came to sell hose but remained to help remedy the family predicaments. In the shorter parts of Helen, the distracted housekeeper, and

Sarah, the colored lady, Esther Mouzes and Delores Hofferber added much comedy. As Mrs. Trimmer, a dancehall renovator, Darlene Rowland appeared at intervals to insist upon better service from the young architect, Norman Reynolds, the truck driver, breezing in on a single entrance, created a moment of excitement. Peggy Hofferber as Hyacinth, the young tomboy-sister, was outstanding in her consistant impersonation of the irresponsible little gal whose heart, head and hands were always on football. Shirley Parker, characterizing the detestable Lenore, kept in perfect character throughout the entire play. Under the efficient direction of Miss McCown and the student engineering committee, the seniors made their play a financial success as well as a milestone in entertainment.

Keeping In Time, In Step and In Tune

The vitality of the drum majorettes and their leader meant much in developing this year a band which has been valuable in stimulating vigor and interest during rallies, football, and basketball games.

To Darlene Gierhan goes the credit of keeping the band in line, as the leader of six baton twirlers. Robert Dyke directed the band which was exceptionally entertaining with its musical selections and impressive maneuvers.

Several band members formed a pep band at the beginning of the year. This sportive organization gave immeasurable enjoyment during rallies through the enthusiasm and pep demonstrated by their songs.

A Music Clinic was held in Fremont in November; Mr. Dyke, Gerald Young, and Alan Transue attended as representatives of Lexington's High School Band.

Rendezvous With Harmony

Robert Dyke directed a mixed chorus of seventy-five students interested and talented in group and solo singing. This organization presented musical programs in honor of Armistice Day and Navy Day. An impressive Christmas cantata, composed and directed by Mr. Dyke, was presented as the traditional holiday program in December. As a special assembly in April, the entire mixed chorus sang several songs from the repertoire for the Hastings Music Clinic attended by the whole group April 12 and 13. Students from this chorus composed the girls octette, girls sextette, mixed octette, girls chorus and soloists — all of whom contributed to the representation of Lexington's music department.
